

Instructions for poster presentation:

- Participants are invited to submit their original work, either studies, case series and case reports in a poster format.
- For a poster to be accepted, an abstract should be sent for approval by the organizing committee.
- The presenting author is required to register for the meeting.
- The abstract submission deadline is **August 31, 2016**.
- Abstracts should be both concise and informative.
- Abstracts of studies should provide brief details of the background, methods, results and conclusions.
- Abstracts of case reports and series should include background, case report(s) and conclusions. It is not acceptable to state that "results will be presented at the meeting".
- Abstracts should be in English and should not exceed 350 words including the title.
- The scientific committee will review all abstracts and a decision on acceptance and format of presentation will be e-mailed to the presenting author by **September 10, 2016**.
 - The standard size of the poster is 1.20 m (height) x 90 cm (width) - portrait style.
- Poster should include the following information: title, authors, institution, country, e-mail and telephone for the first author, introduction, objective, methods, results and conclusions.
 - Information on the poster should be in accordance with the information provided in the abstract.
- -The authors are responsible for mounting and removing of the poster at the beginning and at the end of the meeting.
